

Antigo Senior Center Art Submission Form

Antigo Senior Center • 904 5th Avenue • Antigo WI 54409

Art in the Senior Center will change infrequently. You will be notified by email when it's time to make a change. Current art is picked up when you drop-off your new pieces.

This form is *required* to submit your art to the facility. It is used to create price tiles. It also allows the artist a simple means of tracking the whereabouts of their art. To avoid any confusion please make sure all of your pieces are identified on the back of your art along with your contact information.
